

16380A HP Standard Air Capacitor Set

Model	16380A
Brand	HP
Category	Original
Manufacturer / Brand	Hewlett-Packard (HP) / Agilent
Product Type	Service / Calibration Component Kit
Component Type	Capacitor Set
Primary Application	Repair & Maintenance of HP
Capacitance Values	Multiple, covering a standard range
Voltage Ratings	Various, suitable for instrument internal voltages
Tolerance	Typically $\pm 5\%$ to $\pm 20\%$, depending on the specific capacitor
Dielectric Material	Mix
Operating Temperature	Commercial/Industrial Grade
Product Status	Likely Obsolete
Compliance (at time of manufacture)	Meets HP's internal standards for instrumentation

Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about 16380A. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!
