A black, rectangular electronic device, likely a power supply unit, is shown against a light background. A large, semi-transparent 'Invshop' watermark is diagonally overlaid across the center of the device. On the right side of the device, there is a small, dark rectangular label with white text that reads: 'PWR 100W 12V/20A', '100-240V', '50/60Hz', and '0.5A'. The device has a slightly angled top edge and a small, dark, rectangular feature on the left side.
