Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about AK580. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!

The image shows the back of a Hitachi AK580 LCD panel. The panel is white with a black border. The Hitachi logo and 'AK580' are printed in the center. Various connectors and labels are visible around the edges, including 'AC10V', 'TEMPEXT', 'AC15V', and 'PANEL'. The panel is mounted on a black frame with a green connector on the right side.
