

# new LCD Screen Panel Display LQ10DH11

|               |                                                |
|---------------|------------------------------------------------|
| Model         | LQ10DH11                                       |
| Brand         | Replacement                                    |
| Category      | <a href="#">Industrial LCD display</a>         |
| Brand         | Sharp                                          |
| Diagonal Size | 10.4"                                          |
| Resolution    | 640(RGB)×480, VGA 76PPI                        |
| Active Area   | 211.2(W)×158.4(H) mm                           |
| Outline(mm)   | 283(H)×217(V) ×5.5(D) mm                       |
| Luminance     | 80 cd/m <sup>2</sup> (Typ.)                    |
| Viewing Angle | 45/45/10/30 (Typ.)(CR?10)                      |
| Good View at  | 6 o'clock                                      |
| Signal Type   | Parallel RGB (1 ch, 3-bit) , 22 pins Connector |
| Model P/N     | LQ10DH11                                       |
| Panel Type    | a-Si TFT-LCD, LCM                              |
| Bezel Opening | 217.8(W)×165.0(H) mm                           |
| Backlight     | HCFL [2 pcs] , 5K hours , W/O Driver           |
| Touchscreen   | Without                                        |

## Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about LQ10DH11. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!
